一、听力训练

第一节 听下面五段对话，选出最佳选项（每段对话仅读一遍）

M: Good morning, Miss. Are there any plane tickets to San Francisco tomorrow?

W: Let me have a look at the timetable. I'm sorry, but there are only a few tickets left for the day after tomorrow, I mean, on the 18th.

W: Oh, hi, John. Finally back from your vacation!

M: What do you mean by "finally"? I feel like I've been gone for only two days instead of two weeks.

W: Wow! I'm so full that I can't move now.

M: That's no excuse for not cleaning up, Brenda. Come over here and help me pack up this leftover food. I will put out the fire.

W: OK. I'll put away the tent and our sleeping bags when I'm done putting the food away.

M: If we catch a taxi at the airport, it will be expensive, but if we walk to the main road and catch a taxi it will be cheaper.

W: I want to save more money. Let's walk to the highway and catch one there.

W: You know, if the weather continues to be so hot tomorrow, we had better drop the plan of hiking in the country.

M: Oh, I've got the feeling it won't last. The weather forecast expects it to cool down later today.

第二节 听下面两段对话，选出最佳选项（每段对话读两遍）

听第6段材料，回答第6至7题。

M: Ms Zhang, you speak excellent English.

W: Thank you!

M: Where did you learn it?

W: Mainly in China where I grew up.

M: It's really surprising that you learnt English so well.

W: Thank you again. But we have a lot of good teachers from English-speaking countries, such as the UK, the United States, Canada and Australia.

M: Have you ever been to any English-speaking country?

W: Yes. I've been to Australia to attend an international meeting.

听第7段材料，回答第8至10题。

W: This is our latest product, a pocket translator.

M: Excuse me. I've never seen one of these before. What can it do?

W: Well, it can translate words from one language into another. You type in the word, and a translation appears on the screen.

M: That's amazing! So, whom is it designed for?

W: Well, for anyone who has to travel to a foreign country where they don't speak the language.

Business people are our biggest group of customers, followed by tourists.

M: How many words does it contain?

W: 8,000. We think that's enough for most normal situations.

M: And how many languages?

W: English, French, Chinese, German, Italian and Spanish.

M: I see. How much is it?

W: It's around \$70. It's a real bargain.

一、听力训练

第一节 听下面五段对话，选出最佳选项（每段对话仅读一遍）

M: I hear you've got a job. Where are you going to work?

W: You must be thinking of someone else. I'm still waiting for an offer.

W: It's a beautiful day. Don't waste time indoors.

M: I can't agree with you more. Let's make the most of it.

W: What kind of work do you like to do most, if you have the chance?

M: If I had the chance to change my job, I would make a great change. I would not live in a city. I would move to the country, probably be more involved with nature and with animals.

M: How long have you been working here?

W: I have been here for over 10 years. I am tired of the job and want to get a new one.

W: The train is supposed to arrive at 8:00 and it is already 30 minutes late.

M: I'm going to be late. I have an important meeting to attend by 9:30.

第二节 听下面两段对话，选出最佳选项（每段对话读两遍）

听第 6 段材料，回答第 6 至 7 题。

W: Excuse me. I'm wondering if you have any idea who owns that car. I've noticed it's been parked illegally with its windows open for the last two days. I'm thinking about calling the police.

M: No. I don't know anything about that car. I agree with you that it is kind of strange for it to be sitting there like that, though.

听第 7 段材料，回答第 8 至 10 题。

M: What's the matter, Lucy?

W: I'm too stressed out. And I can't remember things well.

M: When did it start?

W: About two weeks ago.

M: Oh, that's terrible. You should listen to some music.

W: That sounds like a good idea.

M: And relax. You shouldn't study for the maths test tonight.

一、听力训练

第一节 听下面五段对话，选出最佳选项（每段对话仅读一遍）

M: Daisy, I heard that Susan got a speeding ticket yesterday.

W: She deserved it. She is always driving too fast.

W: Hurry up, or we'll miss the train. Does it leave at 7:15?

M: Yes. Don't worry. We still have half an hour left.

W: Excuse me. I'm looking for Mr Brown.

M: Oh, he is not on this floor. He is on the fifth floor. Go upstairs and turn left. He's in Room 508.

W: What bad luck! I just spent another 50 dollars on this stupid car.

M: I'm not surprised. It's always breaking down. You'll just have to keep spending money on repairs until you get a new car.

W: What do you like doing in your free time?

M: Well, I like listening to pop music, but most of all I like playing table tennis. It's better than going fishing.

第二节 听下面两段对话，选出最佳选项（每段对话读两遍）

听第 6 段材料，回答第 6 至 7 题。

M: I went to Hawaii on vacation last month.

W: Wow! Did you have a good time?

M: Yes. I loved it there. I really wish I could live there.

W: I've heard it's really beautiful. I wish I could go there some day!

M: Haha ... You could go with me next time. Hawaii is a really beautiful place. The island is so green, and the water is so blue.

W: What did you do there in the evenings?

M: I went out to eat every night—the food there was delicious—and then I went out to the beach to relax and watch people dancing and singing.

W: People who live in Hawaii are lucky.

听第 7 段材料，回答第 8 至 10 题。

M: Hello, is that Amy?

W: Yes.

M: It's me, Sam! I'm calling to tell you that I've booked my flight to your city for Wednesday morning, arriving at 6:50 in the evening.

W: Great! It gets in at 6:15, right?

M: No. At 6:50. Ten to seven.

W: Right. Sorry—this line is not very good. Which airline are you flying on?

M: British Airways, flight number BA3025.

W: OK. I'll be there to meet you at the airport. We're going to have a wonderful time. I can show you around the city.

Unit 4, part 4, 随堂练习

一、听力训练

第一节 听下面五段对话，选出最佳选项（每段对话仅读一遍）

M: I can't believe it's Thursday already? It feels like it should be a Wednesday.

W: That's because we didn't have school this Monday. So it's only a 4-day school week.

M: That's a nice dress you're wearing, Anna. Are you going out to dinner tonight?

W: No. I just wanted to look nice today. I will go to the movies tomorrow night.

M: Hi, Dianna, it's Scott. Can you tell our manager I won't be coming in today? I have to visit my grandmother in the hospital.

W: No problem. Send your grandmother our best wishes.

W: Why did you move to Canada, Pete? Do you have family there?

M: Actually, I got a job offer that was so good. I couldn't refuse it. Plus, I wanted my kids to go to a better school.

M: Do you think we should paint over the blue walls in our baby's room? Light yellow might look nice.

W: My walls were pink when I was young, so I want my daughter's to be the same.

第二节 听下面两段对话，选出最佳选项（每段对话读两遍）

听第 6 段材料，回答第 6 至 7 题。

M: Will you be putting this on your credit card?

W: No. I'll pay cash.

M: OK. So the total comes to \$120, including tax.

W: I thought it was \$115. That's what they said yesterday when we checked in. Oh, I forgot. My husband ordered a plate of chips. Sorry.

M: No problem. So ... from \$150, here's your change. Now, I'll just need to ask you for your room cards.

听第 7 段材料，回答第 8 至 10 题。

W: So what are you going to do for the coming summer holiday?

M: I think I'm going to continue playing soccer.

W: How are you going to do that? School is over.

M: My PE teacher suggested I join a club team so I can improve for next year. The team is coached by a professional player.

W: Cool! I'm going to join a swim club. My father wants me to try rock climbing, but I think it's too dangerous.

M: Well, it might be fun, and it shouldn't take up too much of your time.

W: But rock climbing is an individual sport. I like swimming because it allows me to make new friends.

M: Hey! Why don't you join the soccer club with me? You can meet people and get into shape.

W: Sounds fun!

Unit 1 单元测试卷

第一部分 听力

第一节

听下面 5 段对话。每段对话后有一个小题，从题中所给的A、B、C 三个选项中选出最佳选项。听完每段对话后，你都有 10 秒钟的时间来回答有关小题和阅读下一小题。每段对话仅读一遍。

M: Do you know when my train will arrive? It is already 8:00 p.m.

W: I'm sorry, but your train is behind the schedule. It'll arrive in an hour.

W: Will I have to go to a travel agent's to get the plane ticket?

M: You could, or you could do it by phone, but the best and cheapest way is on the Net.

M: In my opinion, Sarah is a hard-working girl.

W: Yeah. She has learnt to speak Latin within two months. She is really something.

W: Is this the house you stay in? I love the big windows and all those plants growing up the walls.

Oh, there is a lovely big swimming pool!

M: That's it! We just redecorated the house last month.

W: One of my friends suggested that we have a holiday by the lake. What do you think?

M: Well, I'd much rather go to the beach. I love it there.

W: Me too, but it is too far away. How about going to the mountains?

第二节

听下面 5 段对话或独白。每段对话或独白后有几个小题，从题中所给的A、B、C 三个选项中选出最佳选项。听每段对话或独白前，你将有时间阅读各个小题，每小题 5 秒钟；听完后，各小题将给出 5 秒钟的作答时间。每段对话或独白读两遍。

听第 6 段材料，回答第 6 至 7 题。

W: Look! It's snowing.

M: Yes, but it's terribly cold today. I'm glad that I have my overcoat on.

W: Look! There is ice on the lake too. We'll be able to go skating this weekend.

M: Not if it's too windy. Come on! Let's go back. I'm freezing.

W: You'll just have to adapt to it. The weather in Virginia will be like this for about three months.

M: Yes, I know, but I wish it were shorter here.

听第 7 段材料，回答第 8 至 10 题。

M: I'm thinking of going to South Africa around New Year's Day for two weeks. It's such a beautiful country, Jennifer.

W: Have you been there before?

M: No, but I've seen some of Laura's pictures of her hometown, and it really made me want to visit.

W: Have you booked a flight?

M: Not yet. I'll probably buy my tickets sometime next month.

W: Wouldn't they be cheaper now? You can usually get better prices if you buy in advance.

M: I know, but Lisa wants to go with me, and she still has to ask her boss for the time off. I don't want to book my flight and then have to change it.

W: No doubt!

听第 8 段材料，回答第 11 至 13 题。

W: I know it's rather late for booking a room, but we are three friends, and we'd like to travel to Greece in July.

M: Where would you like to stay?

W: My parents recommended Mykonos to us. And we cannot spend more than \$100 a day. Would that be possible?

M: Quite difficult in July. For that price you won't have many choices. If you could arrange to make it in June, I might have a bed-sitting room for \$75. It provides three single beds, and it's 5 minutes' walk from the main beach.

W: Well, I need to discuss it first with my friends, though.

M: OK, come to an agreement and we'll prepare a travel schedule for you. Remember we only have a month left, so you need to make up your mind today or tomorrow.

听第 9 段材料，回答第 14 至 16 题。

W: How was your trip to Toronto, Joe?

M: I wish I had spent my vacation here.

W: In other words, you didn't like Toronto.

M: Oh, it wasn't that. I liked the city very much. But I got sick while I was there.

W: I'm sorry to hear that.

M: I came close to having to call the doctor. But I had some medicine with me, so I took that and got well. I always carry it, just to be on the safe side.

W: Lucky you had it on hand.

M: Little did I think I'd get sick in Toronto. Next time I won't take chances. I'll make sure I'm in good health before I travel.

听第 10 段材料，回答第 17 至 20 题。

W:

Green Mountain Tour is what I consider our best tour. You'll see from our brochure that we have four pickup shops along the coast. The coach leaves the southernmost point of Coolangatta at ten to eight, and travels through Burleigh and onto Surfers Paradise, starting off from there at half past eight in the morning. At a quarter to nine we make our last pickup at Labrador. From there we

head to beautiful Tamborine Mountain. You can go shopping or you can sit and relax at a friendly outdoor café. You board the coach again and pass through an old town on our way to O'Reilly's Green Mountains. Once there, you might wish to go for the famous tree top walk. Please note that the tour is on Sunday, Monday and Friday only, although we are hoping to have a Saturday tour by next year. The price includes the money paid for the coach and the mini-bus to pick you up. You need to bring along cash or credit cards to cover expenses such as shopping, food and drink and, of course, entrance tickets to all the attractions.

M: Since we're reprinting the brochures, why don't we make a five-minute video that we could send out to our customers?

W: Great idea! Can you get some material by the end of the week?

M: Certainly. I saw one video that was fantastic last week.

M: I've worked for four hours on this homework and it is still only half-finished.

W: Why don't you give it up? You could work another four hours and may finish it, but you would be too tired to go to class tomorrow.

M: Have you read the writer's latest bestseller?

W: I've just finished it. It's really wonderful.

W: Good morning. Can I help you?

M: Yes. I'd like to know something about the weather in Washington.

W: Well, it's fairly hot today, but there will be much rain in the following week.

M: I see. Thanks very much for your help.

M: Excuse me, could you tell me where Mr White's office is?

W: Mr White's office is on the fifth floor, but the lift can only go to the fourth. So you'll have to use the stairs to reach there. It's the second room on the left.

W: All right. Do you want anything else?

M: Yes. I'd like another cup of coffee afterwards. Make it hot, please.

听第 7 段材料, 回答第 8 至 10 题。

M: Well, Mary, I see from your application that you've had a lot of experience in the law field.

W: Yes, I used to work during my break to get more experience.

M: How long are you able to work for us?

W: Not more than 4 months.

M: When does the term end and when does next term begin?

W: We will end on 14 May and 1 September will be the starting date for the next term.

M: I see. Are you able to work full-time or only part-time?

W: I would prefer full-time.

M: When would you like to start?

W: Will 16 May be OK?

M: OK. I'm looking forward to your joining our office staff.

听第 8 段材料, 回答第 11 至 13 题。

M: Are you ready to go shopping?

W: Just a few minutes. I need to make a list of the things that we need.

M: Good idea. Have you written down potatoes, carrots and onions?

W: Onions are not on my list. I'll add them. We should get some tea. Is green tea OK or should we get the same tea that we usually get?

M: Let's get both. We need some coffee too. Is that on your list?

W: Yes, it is. Here's my list. Is there anything that I've forgotten?

M: I think you've got everything. I want to get some chocolate and some cheese.

W: What kind of cheese do you want?

M: I'm not sure. I'll decide at the cheese counter, where I can see what they have. Have we got enough money?

W: We don't have enough cash, so I'll take my credit card and we can pay with that. Where are the car keys?

M: I've got them there. Shall I drive?

W: OK.

听第 9 段材料, 回答第 14 至 16 题。

M: Hi, Janet. Where were you at lunchtime? I was saving a seat for you in the dining hall.

W: Oh, sorry to miss you. My English class ran overtime again.

M: That's been happening quite often recently. Did you realize that?

W: Yes, maybe it's because the final exams are near, and everyone has a lot of questions to ask.

M: I guess so. After class, there is always a group of students hanging around the professor asking questions.

W: How about you? Are you ready for the exams?

M: I've been preparing these days, but the mathematics questions are really my big headache.

W: Don't worry, John. There is still one month to go before the exam. You have enough time to work them out.

M: The good thing is I don't need to spend much time on other subjects. I can pay more attention to my weak points.

听第 10 段材料，回答第 17 至 20 题。

M:

Hello, everyone. Today I'm going to talk about small talk, that is, short conversations people often have with strangers they meet. Such exchanges occur at bus stops, on buses, while waiting in line, almost anywhere strangers gather close together. As a matter of fact, these short conversations are a good way for people to say hello and express friendliness. Such conversations usually cover a wide range of topics. The topics may include weather, customer service, movies, TV shows, local sports or latest news. But you should always keep it in your mind that private questions about family life, religious beliefs and politics should be avoided during these conversations. Besides, it's better to ask open-ended questions. If you ask visitors, "Do you like our city?" They may say simply, "Yes." On the other hand, if you ask, "What do you think of our city?" They will have more freedom in answering. This type of question also shows that you are interested in them. If you appear interested in what people are saying, they'd feel more comfortable talking with you.

W: Oh, really? Do you need any money? What I have is not much, but I can lend you some.

W: You promised me that you were going to give up smoking. What's that in your hand?

M: I'm sorry. I really want to, except that every time I get nervous, I can't help smoking.

W: What a hard day I had at school! I feel like having a coffee or something.

M: Let's go to Rick's Coffee Shop. An Irish coffee will make you feel really relaxed.

M: Sure. I was at work. The ground shook so violently that I was scared. Some of the women in the office panicked and screamed.

W: I'm sorry. I'm sure he's not doing it on purpose.

M: I'm sure he's not. But we can do without the noise, you know?

W: You're absolutely right. By the way, how was your party last night? It sure sounded like you had a great time.

M: Uh ...

听第 7 段材料，回答第 8 至 9 题。

W: OK. What do you want?

M: All I want is vegetables and fruit from now on.

M: Kind of. It's the custom. You can't really avoid leaving at least a small tip.

W: But suppose the service is bad?

M: In that case, of course, we don't leave one.

W: And does the waiter know that's why they didn't give him a tip?

M: Exactly. It's just like telling him off.

W: No wonder he's so angry.

M: Well, in fact, the people did leave him a tip, but that kid over there took it.

听第 10 段材料，回答第 17 至 20 题。

W:

While on an expedition in western China twenty years ago, some explorers discovered a tall, red-haired people. Though estimated to be nearly 4,000 years old, the remains were quite well kept. Scientists are excited because these remains are a link between the East and the West. What were redheads doing in China and who were they?

Though the answers to these questions may never be answered with certainty, these remains provide new information about an ancient age, when men used tools and weapons made of bronze. This was the period between the Stone Age and the Iron Age. As the explorers continue their work, new mysteries are waiting to be discovered.

W: Ah.

M: Your throat is swollen. You've caught a cold.

W: What am I supposed to do then?

M: A good rest is all you need, and drink more water.

W: Thank you very much.

听第 7 段材料，回答第 8 至 9 题。

W: There's live music in the park today. Do you want to go?

M: I just want to stay at home, so I can paint some pictures and read some books.

W: Please come with me and spend some time outside! It's a beautiful evening. The group is going to play some songs that you like. The event is called "Music from the movies". I think they'll be playing the Star Wars theme song.

M: I love that piece. OK. I'll go. Should we take dinner together?

W: They're already planning to go.

听第 8 段材料，回答第 10 至 12 题。

M: Yes.

W: Well, I've been thinking about it lately, and I believe things could be done a bit better.

M: What do you suggest?

W: The way we do it now is that the staff from all four stores get together once a week. We meet for one hour. But I think a lot of time is wasted on transportation.

M: You mean people have to go across town to get here?

W: Yes. Some people spend half of their morning on the road.

M: Well, I know our staff members don't consider the meetings to be very useful.

W: Here is what I think we should do: I think we should meet once every two weeks but meet for ninety minutes or more.

M: That's a good idea. I will think about it and let you know my decision tomorrow.

听第 9 段材料，回答第 13 至 16 题。

M: What did you find there, Mary?

W: Oh, Dad. It's a wallet. I found it in the parking lot near the shopping centre just now. There was nobody nearby, so I brought it home. It looks very pretty.

M: Yes, it's a really beautiful wallet! What's in it?

W: Oh, about 60 dollars in cash.

M: 60 dollars? What are you going to do with it?

W: I don't know. Maybe I should try to find the person who lost it. But how can I find the owner?

M: Check to see if you can find any information about the person who lost the wallet.

W: Ah, yes. There are some business cards with a man's name and telephone number on them.

M: OK, you should call that man. He will be really glad to get his wallet back.

W: Yes, I'm sure he will. I will call him after dinner.

M: I think that man is probably very worried now, so you'd better call him right away.

W: OK, I will call him immediately.

Good morning, students! Happy Tuesday! It's a beautiful December day, and there are only four days left until winter vacation. Let's keep working hard this week. Please note that all classes will finish at 2:00 p.m. tomorrow. Because of the early end to the day, school buses will run two hours earlier than usual. Please check the times to make sure you don't miss your bus. On Thursday morning, students and teachers will be attending the City Music Clubs end-of-year concert. To attend the concert, you have to bring back your note signed by a parent to the headmaster's office before 10:00 tomorrow morning. Anyone who does not bring their signed note will remain at school on Thursday in the library with Ms Williams. Please note that all activities after school will be cancelled on Friday afternoon, except for the chess club. Our students will be taking part in the state championships. Way to go, chess club!
